

# Bank of America

## Global Markets Full-Time Opportunity in Taipei, Taiwan

Your work life is so much more than just your title and your role. At Bank of America, we'll match your drive and ambition to where you can make a real impact. As one of the world's largest financial institutions, our global connections allow you to create a career on your own terms.

### Global Markets Fixed Income, Currencies & Commodities Sales Full-time Analyst Program

The Full-Time Analyst program is designed to offer you a broad and exciting experience of work. Your training and development is our top priority with extensive formal training offered at the start of the program in addition to on the job support, educational speaker events and mentorship throughout.

Global Markets provides banking products and services through Bank of America and trading and other broker-dealer products and services, including research through BofA Securities. Our institutional clients are across fixed-income credit, commodity and equity businesses. Global Markets product coverage includes securities and derivative products in both the primary and secondary markets. We also work with our commercial and corporate clients to provide risk management products using interest rate, equity, credit and commodity derivatives, fixed-income and mortgage-related products.

To support our institutional investor clients globally in their investing and trading activities, the Global Markets team provides financing, securities clearing, settlement and custody services. We also work with our commercial and corporate clients to provide foreign exchange products.

If you are an undergraduate/masters' student who will be graduating between December 2024 and June 2025,
