

2025 Global Coding Challenge

Are you passionate about coding? Interested in solving tech challenges and pushing the boundaries of innovation? If so, you're in the right place.

Join us for our 2025 Global Coding Challenge, where digital minds meet bold ideas.

What's in it for you?

- Tackle diverse real-world coding problems.
- Set up a full end-to-end server and development pipeline.
- Connect with like-minded innovators and build a network that lasts.
- And the best part? You can win amazing prizes along the way!

Are you up to the challenge? Register, come along and we'll help you rise to it. It's your chance to level up your skills, gain real exposure and be part of a vibrant tech community.

About UBS

UBS is a leading and truly global wealth manager and the leading universal bank in Switzerland. We also provide diversified asset management solutions and focused investment banking capabilities. Headquartered in Zurich, Switzerland, UBS is present in more than 50 markets around the globe. We know that great work is never done alone. That's why we place collaboration at the heart of everything we do. Because together, we're more than ourselves. Want to find out more? Visit ubs.com/careers.
