

• Be the change, make a difference •

Standard Chartered Bank has conducted an Early Careers Opportunity Virtual Recruitment Talk on 20 January 2022.

In the talk, we have introduced our Taiwan businesses and shared the 2022 International Graduates opportunities.

As the seats were limited, we have prepared a snapshot for the career talk and should you be interested in the opportunities, please apply by 7 February 2022 via [here](#).

Business Sharing highlights

Consumer, Private and Business Banking (CPBB) – Wealth Management
“We mostly work on products which cover Insurance, Treasury and Fund, but you will also involve in the work related to advisory services, process & governance, etc. Our Wealth Management team is in a leading position in Taiwan which provides you an excellent exposure to make your career happens.”

Amos Chao
Head of Mutual Fund & Insurance

Corporate, Commercial & Institutional Banking (CCIB) – Client Coverage
“We mainly support the corporate clients in CCIB and we are strong at the structured products and solutions which help us to differentiate from other banks. In my 10-year’s career at Standard Chartered, I get not only the job satisfaction, but also expansion on my possibilities. I can grow with the Bank by taking on many challenges and making impacts to the market.”

Cheryl Hsu
Executive Director, Team Head, Client Coverage

Consumer, Private and Business Banking (CPBB) – Retail Banking
“We serve our clients with a wide range of banking services including but not limited to saving, mortgage and credit. I am also an IG alumni and have been working in the Bank for 20 years. Working here is a fulfilling and fruitful experience because we have a lot of opportunities to learn and grow in SCB.”

Sherry Shih
Head, Client Value Proposition & Management

International Graduates Sharing highlights

“The Bank provides a lot of resources nurturing our IGs to ensure they can be our future leaders. Throughout the 8-year’s career in SCB, I treated it as my 2nd home as people here are friendly, nice and supportive.”

Annie Lin

Associate Director, Treasury Markets, CCIB
(International Graduate 2013)

“Standard Chartered provides a lot of resources and opportunities to IGs, we have a wide platform to meet different people around the world that helps us build the strong network. “

Jason Chen

Associate Director, Client Coverage, IC, CCIB
(International Graduate 2013)

“In IG programme, there are lots of international exposures, including various trainings and meetings with IGs all over the world. We also have great company culture that emphasizes on making changes and building a D&I working environment. After working in Taiwan Wealth Management team for few years, I got the chance to transfer to China which was a golden opportunity to develop my career.”

Evelyn Lue

Product Manager, CPBB
(International Graduate 2018)

“The strength of Standard Chartered is the market coverage as we have footprints around the world. We can easily access the information from different markets through our strong network.

The close bonding between the IGs of different regions allows us to have an effective collaboration.”

Andy Fang

Associate, Digital Banking, CPBB
(International Graduate 20xx)
