Discover the World of Finance through our Mentorship Program

If the Finance space is something you've always been curious about, then this is the Program for you!

Explore the world of Finance through our exclusive mentoring program designed to provide students like you with invaluable insights into the realm of Banking. You'll gain knowledge of how the business works, meet with like-minded students like yourself, get access to our business representatives and gain invaluable skills to prepare you for future opportunities with the firm.

Why Participate and What to Expect

- **Gain Real-World Knowledge:** Get a chance to delve into the intricacies of Banking and understand how it shapes the financial landscape.
- **One-on-One Mentoring:** Interact with experienced professionals who will guide you throughout the program and offer personalized guidance. This will be done over a set number of meetings across a set duration of 6 months, starting from Oct 2023.
- **Networking Opportunities:** Connect with like-minded individuals and build a network of contacts that can boost your future career.
- **Stay Connected on Recruitment Events:** Get first-hand information on upcoming key timelines such as the J.P. Morgan Private Bank Challenge and Summer Internship Applications

Eligibility Criteria
